

ANNUAL REPORT 2020-21

COVID 19 has resulted in schools shut all across the world. As a result, education has changed dramatically with the distinctive rise of e learning, whereby teaching is remotely and on digital platforms.

Designing relevant activities to drive learners from passive reading, viewing or listening to dynamically improving their skill is not an easy job.

Our Chaitanya techno school's curriculum has been designed to develop leadership, spirit of adventure. Inquisitiveness, self-reliance, and self-esteem.

WELCOME PARTY, 2020

Each year our school stands unique in welcoming the children to the forth coming year. This year there was no doubt the students were welcomed in an unexpected manner. During this lock down it was a challenging for all the schools, our school Sri Chaitanya Techno School did an amazing welcome party through virtual. Each class from grade I to grade level has been given various themes. All the teachers and the children dressed up according to the theme given and enjoyed the day and made the day as theirs.

WORLD ENVIRONMENT DAY

World environment day was conducted in a grand way to educate the children about the importance of nature through various activities.

FATHER'S DAY

Father's Day is a day of honouring fatherhood and parental bonds, as

well as the influence of fathers in society. It was a remarkable day were our school never forgets to honour ourparents.

INTERNATIONAL YOGA DAY

Sri Chaitanya Techno School celebrated the 4th international yoga day. The link was sent to all the parents the before day. All the children, parents, teachers Participated in yoga. Our honourable principal Ms.Malathi Raja and respected AGM Mr. Nageshwara Rao accompanied the children in yoga day.

EDUCATION DEVELOPMENT DAY

Kamarajar day is one of the unforgettable day celebrated each year in our school as a remembrance of kamarajar as Retrieve Tamil Nadu Day' to recall the late leader's contribution towards industrialization and education of the state. In accordance, few competitions like elocution, drawing, poem recitation were conducted for the children. All the children took part in different events and proved their skills. The best speech, drawing and recitations were awarded by certificates.

JANMASHTAMI

This year, we Chaitanyans celebrated Janmashtami virtually. Students, teachers and our wonderful Dignitaries appeared on screen at the most traditional way. Event started with a prayer song, followed by speech given by our students, special speech and story had been told in Tamil and English by our teachers.

HINDI DIVAS

Sri Chaitanya Techno School celebrated Hindi Divas on 14th August, 2020. On this day all the boys were dressed up in blue and girls in pink. Few competitions like poem recitation, handwriting, poster making etc were conducted to the students virtually and most of the students took part eagerly. On this day teachers gave a special speech about the importance of Hindi Divas.

INDEPENDENCE DAY

Owing to the Corona virus pandemic, our school hoisted the flag with a minimal people attending social gatherings and all health and safety measures, ensuring social distancing, the flag was hoisted by honourable AGM Mr. Nageshwara Rao , respected Principal Ms. Malathi Raja, and vice principal Ms. Brindha and a few teachers and parents. All the students participated through virtual , few students gave speech and some sang patriotic songs and extended their honour and gratitude to our nation and the freedom fighters.

TEACHER'S DAY

Our school Sri Chaitanya Techno celebrated Teacher's day in remembrance of our former President of India, Dr.Radhakrishnan's birthday. Various games and events were conducted for the teachers. All were excited and eagerly participated in all the events. Our children exposed their love by sharing their wishes through greeting cards. On the same day, our respected dignitaries honoured all the teachers for their splendid work. It was an amazing and unforgettable day for all of us.

NATIONAL MATHEMATICS DAY

A very special virtual program was conducted on the occasion of National Mathematics Day.

Our students presented a power point on topics related to Maths which helped them in knowing many concepts.

An interview with their parents which also was related to Math which made them understand that everything around us is purely Mathematics.

WELLNESS CLUB

Every Saturday in our school Sri Chaitanya Techno, various activities are

conducted to the children and they're engaged in valuable activities like Super Saturday dance, personality development stories, club activities etc.

REPUBLIC DAY

Honouring the Birth of Indian Constitution, remembering the historical day, national heroes and freedom fighters who suffered to give us a Republic Nation in Sri Chaitanya Techno School, the 72nd Republic Day celebration was conducted offline. But no celebration were stopped at school. Our respected Management staff, Administration staff and few of our teaching staff joined for the flag hoisting ceremony by our Principal.

NATIONAL SCIENCE DAY

In our school, Sri Chaitanya Techno, National Science Day was celebrated virtually on 27th February 2021.

Students were given various tasks like live experiments, poster making on topics Wildlife Conservation, Conservation of Energy and Forests etc. They also dressed up like scientists and gave speech about them. Students' excellence was poured out and they proved it by delivering 118 elements and symbols in periodic table in a perfect order. Science teachers explained the kids about the importance of Science and why we celebrate the National Science Day. The session ended up with appreciation.

STAFF MEETING

Department wise Staff meetings have been conducted regularly to maintain the quality of teaching and learning process.
