Dear Parent

Greetings!!!

Educational philosophy refers to the importance of teaching students to be life long learners. There is much more to education and experience than classrooms, textbooks, and success.

Extracurricular activities provide opportunities to students to express and explore themselves in areas depending upon their interests, skills and talents. In this regard we would like to inform you that all the students from grade 6 to 9 will have co-scholastic activities from 3:30 pm to 5pm every Saturday starting from tomorrow.

Note: Must wear Blue T-shirt and white sports shoe

Thanking you for the cooperation

Regards

Dr.Gladis Diana Sivakumar
